Intro: **Bb C F Dm Bb C F C**

**F** **Bb** **F** **Bb** **C**

How many roads must a man walk down Before they call him a man?

How many years must a mountain exist Before it is washed to the sea?

How many times must a man look up Before he can see the sky?

**F** **Bb** **F** **Dm** **F** **Bb** **C**

How many seas must a white dove sail Before she sleeps in the sand?

How many years can some people exist Before they're allowed to be free?

How many times must the cannon balls fly Before they're forever banned?

How many times can a man turn his head And pretend that he just doesn't see?

How many deaths will it take 'til he knows That too many people have died?

# Raindrops Keep Falling On My Head

**F Fmaj7\* F7 C Bb Am Gm7**

FMaj7 F7

Intro: F C Bb C F

Raindrops keep falling on my head and just like the guy whose feet are too big for his bed,  
So I just did me some talkin' to the sun, and I said I didn't like the way he got things done

nothing seems to fit, Those raindrops are fallin' on my head they keep fallin'  
Sleepin' on the job, Those raindrops are fallin' on my head they keep fallin'

But there's one thing I know, the blues they send to meet me, won't defeat me

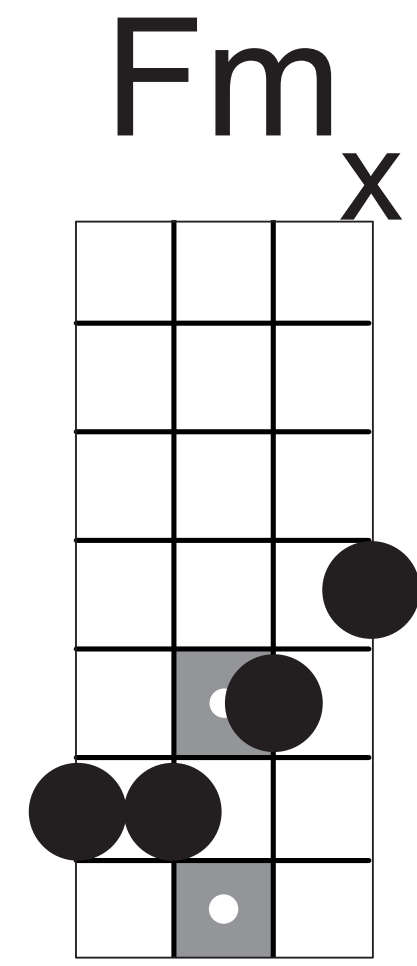

\$-It won't be long till happiness steps up to greet me

Raindrops keep fallin' on my head, but that doesn't mean my eyes will soon be turnin' red,

Cryin's not for me, cause I'm never gonna stop the rain by complainin'

because I'm free, nothings worryin' me (first time) Interlude: F Fmaj7 Bb C Am-to \$ (2nd time end on "me")
